EXECUTIVE

Mira's classic design creates an elegant setting for any work environment. While Mira is very pleasing to the eye, by taking a closer look you will notice quality details that set it apart from its competition. Solid core wood writing surfaces are a full 1 1/2" thick and finished using hand-selected, AA grade North American cherry veneers. Hutches feature stylish, frosted glass doors and fully finished interiors and backs.

The finest quality workmanship, in-stock availability and affordability make it a very popular series.

PRESENTATION CABINETS FEATURE NON-GHOSTING MAGNETIC WHITE BOARDS AND FABRIC TACK PANELS IN EACH DOOR.

EACH BARREL BASE FEATURES A CONCEALED CABLE CHIMNEY WITH EXIT DOOR TO ROUTE UNSIGHTLY CORDS FROM SURFACE TO FLOOR.

CONFERENCE

Mira conference tables deliver a timeless, transitional design with rugged construction that will stand up for years. Table surfaces are protected by a 5mm solid wood edge and barrel-shaped bases compliment the curved tops providing a sturdy foundation. Surrounding Mira's conference tables are a wide selection of storage and productivity elements that not only look great, but play a crucial role in promoting important decisions.
