

No other company in the industry offers you more ways to store your files! From basic Four-Post Shelving to space-efficient File Harbor cabinets and ARC Rotary Files, Kwik-File Storage Systems has a high-density filing solution to meet any need.

Four-Post Shelving

Efficient Four-Post Shelving is 36" wide by 12" deep, letter depth and has closed end panels for a clean, finished look. To increase filing density, Four-Post Shelving can mount to the Kwik-Track system creating a bi-file lateral shelving system.

FEATURES

- Seven tiers available in both starter and adder models.
- Each shelf comes with three (3) adjustable dividers.
- Ready to assemble—no tools required.
- Finish: Pebble Gray.
